

Zero Waste Eating Out

Option #1: Dine-in

How to reduce your waste:

1. Ask for no straw. Bring your own reusable straw.
2. Bring reusable containers to take home your leftovers.

Option #2: Bring reusable containers for take-out

How to reduce your waste:

1. Use a reusable grocery bag to hold all of your food.
2. Use reusable silverware, bamboo cutlery, or reusable chopsticks instead of single use plastic utensils.
3. Bring small reusable containers to hold sauces like salsa.
4. Bring a reusable water bottle.

Option #3: Use more eco-friendly reusable items

Resources for eco-friendly restaurants, take-out, and reusable utensils:
